## **My name is Ian Albinson, and I am running for Selectboard.**

I've lived for over ten years in Bristol, in a home just a short walk from Main Street. I am the Executive Director of the downtown group Bristol CORE and run a motion design business with my wife, Raedia. We also have two young boys who will one day participate in the Bristol school system.

I ran for Selectboard this past March, for the current open position, and received 402 votes, just 11 shy of winning the seat. I received strong support for my campaign from a wide range of Bristol residents, including three former Selectboard members, and members of Bristol's Planning, Conservation, and Energy commissions and committees.

Working with Bristol CORE, I've organized, fundraised, and facilitated large-scale events for the area like *Pocock Rocks*, *Chocolate Walk*, and

*Lumen*. I've also worked closely with the Town of Bristol as a former Chair of the Energy Committee, and am currently a liaison for the Main Street Lighting & Sidewalk Improvements project scheduled for 2020. In all this work, I've built relationships with our current businesses and residents.

I see my role as a Selectboard member as someone who listens, cares about the community and shows initiative. I am up-to-date on town affairs and am ready to hit the ground running.

## **Your Vote Makes A Difference**

If you have thoughts to share or questions, don't hesitate to contact me.

You can reach me by phone: (802) 760-6076  
or email: [ian.albinson@icloud.com](mailto:ian.albinson@icloud.com)

I'm asking for your vote on or before  
**Tuesday, December 3, 2019.**
